## \*

## Tree Observation

I can look closely at plants and trees and record what I see.

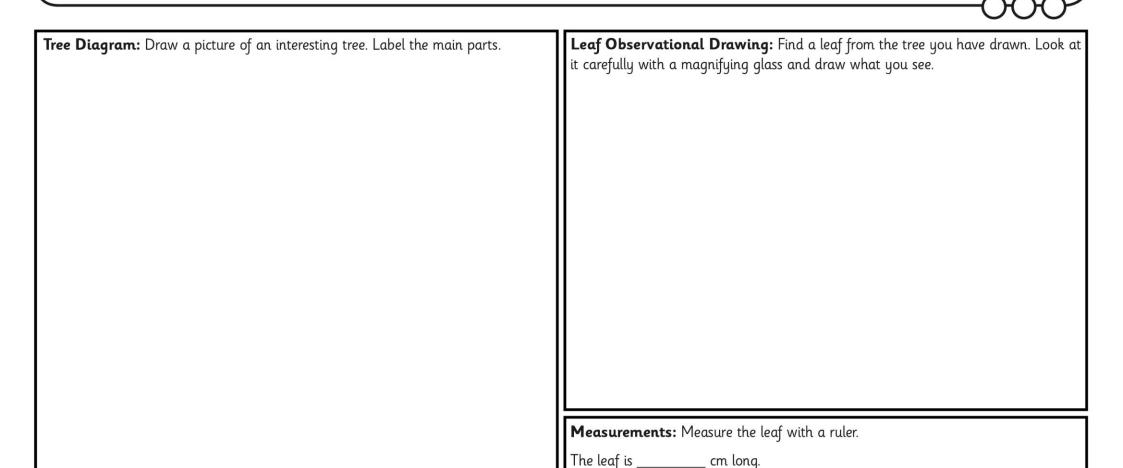

**Bark Rubbing:** On a separate piece of paper, make a bark rubbing from the trunk of the tree.

## Tree Observation

I can look closely at plants and trees and record what I see.

The leaf is \_\_\_\_\_

cm wide.

## Tree Observation

I can look closely at plants and trees and record what I see.

Tree Diagram: Draw a picture of an interesting tree. Label the main parts.	Leaf Observational Drawing: Find a leaf from the tree you have drawn. Look at it carefully with a magnifying glass and draw what you see.
	Measurements:
	Measure the length of the leaf with a ruler: cm
	Measure the width of the leaf with a ruler: cm
	Measure around your tree with a tape measure: cm
	Estimate the height of the tree:
