

# Springtime Art Project

Although we may be in lockdown, the wonderful world of nature is still thriving. Look outside your window, sit in your garden or maybe take a short walk and observe the beauty of springtime in bloom.

I would like to invite everyone to take part in a spring art project. Can you create an image of springtime?

Try one or more of these activities!

Collect some flowers from your garden and make some observational drawings using pencils or paints.

Create a springtime landscape. This could be observational or imaginary!

Create a springtime collage using real flowers, petals and leaves.

Create some leaf and bark rubbings.

Paint and print using flowers and leaves found in your garden or local area.

Create pictures using pressed flowers and petals. Press the flowers between 2 heavy books to flatten.
