

# Varied Fluency

## Step 2: Dates

### National Curriculum Objectives:

Mathematics Year 1: (1M4b) [Sequence events in chronological order using language \[for example, before and after, next, first, today, yesterday, tomorrow, morning, afternoon and evening\]](#)

Mathematics Year 1: (1M4c) [Recognise and use language relating to dates, including days of the week, weeks, months and years](#)

### Differentiation:

**Developing** Questions to support recognising and ordering the days of the week and months of the year using the language of after.

**Expected** Questions to support recognising and ordering the days of the week and months of the year including the language of before, after, yesterday, today and tomorrow.

**Greater Depth** Questions to support recognising and ordering the days of the week and months of the year including the language of yesterday, today and tomorrow. Choices given are not consecutive days or months.
