Discuss with your adult what you have seen and heard.

Write a few sentences about the story.

Who are the main characters?

What happened?

How did it make you feel?

## Lesson 2

Today I would like you to watch this lovely animated story and try and join in reading the story aloud with an adult. Don't forget that you can pause the animation to give you more time to read each sentence and the more you read it the better you will get.

Perhaps someone in your family can video you reading part of the story aloud and email it to school using the email address below.

At the end of the animation the two friends both feel loved even though they can't hug.

How many positive words can you think of to describe the two friends? Make a list.

Now using different coloured pens/pencils create a positive word rainbow.

## Lesson 5

Today I would like you to think about what Tortoise and Hedgehog said in their letters to each other.

Did they say positive or negative things?

Today I want you to write a letter to your best friend or family member expressing all the things you can't wait to do with them soon. Ask an adult to help you if you get stuck.

If you would like you can use the printable template.

A printable letter template featuring a yellow sun with a smiling face in the top left corner. To the right of the sun are three horizontal lines for an address. Below the address lines is the text "June 2020" followed by a blank line. Underneath is the word "Dear" followed by a blank line for the recipient's name. The main body of the letter consists of seven horizontal lines for writing. At the bottom, there are two horizontal lines for a signature and a line for a closing. The template is set against a background of green grass at the bottom.
