CHILDREN IN NEED

It has been great to see children dressed in yellow today helping to support Children in Need. Many thanks to everyone for the donations, which we will send to the charity. Here are some photos.

ATTENDANCE

It is very important that the Academy are kept informed of any absences. The Academy office is open **8.30am-4.30pm**. If you are calling before **8.30am**, please could you ensure you leave a message on our answer machine. Please make sure you contact us no later than **9.30am** for **all absences**.

A BIG THANK YOU

Can we take this opportunity to thank all parents and carers for their continued support during this time, ensuring face masks and coverings are worn when on site, following and maintaining hygiene and COVID-19 safety measures both in and around the Academy premises. We are all doing our bit to stay safe.

YOU GUYS ROCK!

SOCIAL DISTANCING DURING NATIONAL LOCKDOWN

As you will know, we are currently in a National Lockdown. This means, in general, you must not meet with another person socially or undertake any activities with another person. However, you can exercise or meet in a public, outdoors space with people you live with, your **support bubble** (or as part of a **childcare bubble**), or with one other person.

You should minimise time spent outside your home. When around other people, stay 2 metres apart from anyone not in your household - meaning the people you live with - or your support bubble. Where this is not possible, stay 1 metre apart with extra precautions (e.g. wearing a **face covering**).

You must not meet socially indoors with family or friends unless they are part of your household or support bubble.

A **support bubble** is where a household with one adult joins with another household. Households in that support bubble can still visit each other, stay overnight in each other's households, and visit outdoor public places together.

You can exercise or visit a public outdoor space:

- by yourself
- with the people you live with
- with your support bubble
- or, when on your own, 1 person from another household.

Children under 5, and up to two carers for a person with a disability who needs continuous care, are **not** counted towards the gatherings limit on two or more people meeting outside.

CONTACT DETAILS

It is vital that all parents and carers keep their contact and address details up to date with the Academy. Please let the office know straight away of any changes.

FACE MASKS

We remind all parents and carers to **wear face masks on the Academy grounds** as well as in the Academy building. Only **one parent/carer** to drop off and pick up each day, and only **one person in the reception area at any one time**.

FLU IMMUNISATION

Letters have been sent home for this year's Flu Immunisation for Reception children to Year 6. Please could you ensure these are filled in and returned to the Academy office no later than **Tuesday 17th November**.

COVID TESTING

Can we remind parents and carers that it is important for you to inform the Academy directly if you or a member of your household shows symptoms of COVID-19. If you have taken a COVID test (either via 119, online or via the app) and this has come back positive, you **must** inform the Academy directly. Please either email a3317@telford.gov.uk or phone the Academy direct on **01952 386280** or alternatively **07966 300241** if it is in the evening or at the weekend. Doing this will allow us to take the necessary steps to protect everyone in the school community.
