# Varied Fluency Step 1: Make Tally Charts

## **National Curriculum Objectives:**

Mathematics Year 2: (2\$1) <u>Interpret and construct simple pictograms, tally charts, block</u> diagrams and simple tables

Mathematics Year 2: (2S2a) Ask and answer simple questions by counting the number of objects in each category and sorting the categories by quantity

Mathematics Year 2: (2S2b) <u>Ask and answer questions about totalling and comparing categorical data</u>

#### **Differentiation:**

Developing Questions to support constructing and interpreting tally charts using tallies up to 15 and where questions refer to totalling.

Expected Questions to support constructing and interpreting tally charts using tallies up to 30 and where questions refer to totalling.

Greater Depth Questions to support constructing and interpreting tally charts using tallies up to 30 and where questions refer to totalling, comparing, and using given data to find missing information.
