

Addition challenge

Can you create your own addition number sentences by either rolling a dice for your numbers or choosing 2 numbers from the number cards below.

How will you work it out?

You can use objects to count two groups together.
Or could you use the numberline to jump on from the biggest number?

Digit Cards

1 2 3 4 5 6 7 8 9 10 11 12

1 2 3 4 5 6 7 8 9 10 11 12

1 2 3 4 5 6 7 8 9 10 11 12

1 2 3 4 5 6 7 8 9 10 11 12

1 2 3 4 5 6 7 8 9 10 11 12

1 2 3 4 5 6 7 8 9 10 11 12
