These are the Black Pirates led by the infamous Captain Blackheart. They are a bloodthirsty crew; always looking for a fight! Captain Jackie Starling was not pleased to see that they had reached the island before her. She was worried that they also knew about the hidden treasure and that they would find it first. If it did come to a brawl she knew who would end up winning. The Black Pirates were bigger and stronger. In fact, they were the nastiest, cruellest, most despicable pirates to sail the Seven Seas!
