The man puts the female octopus into a cooler box and drives his van away. The angry male octopus escapes and follows the van.

3

The man **puts** the female octopus into a cooler box and **drives** his van away.

Mrs B adds more detail thinking of some powerful verbs

Next the man **stuffs** the female octopus into a small cooler box **slamming** the lid down shut, then dumps it onto his car seat before **zooming off in** his van away.

Maybe change and improve Mrs B's

Next the man **stuffs** the female octopus into a small cooler box **slamming** the lid down shut, then dumps it onto his car seat before **zooming off in** his van.

Add some adjectives and adverbs.
Deepen the moment with extra detail.

Here is Mrs B's improved version

A few seconds later, the man **stuffs** the scared, terrified female octopus into a small, dark and suffocating cooler box **slamming** the lid down shut. Then dumps it carelessly onto his car seat before dangerously **zooming off in** his van.
