These details are then available on the ICO's website. Schools also have a duty to issue a Fair Processing Notice to all pupils/parents, this summarises the information held on pupils, why it is held and the other parties to whom it may be passed on. Appendix 1

Dawley C of E Primary Academy

Procedures for responding to subject access requests made under the Data Protection Act 1998

Rights of access to information

There are two distinct rights of access to information held by schools about pupils.

1. Under the Data Protection Act 1998 any individual has the right to make a request to access the personal information held about them.
2. The right of those entitled to have access to curricular and educational records as defined within the Education Pupil Information (Wales) Regulations 2004.

These procedures relate to subject access requests made under the Data Protection Act 1998.

Actioning a subject access request

1. Requests for information must be made in writing; which includes email, and be addressed to the Principal. If the initial request does not clearly identify the information required, then further enquiries will be made.
2. The identity of the requestor must be established before the disclosure of any information, and checks should also be carried out regarding proof of relationship to the child. Evidence of identity can be established by requesting production of:
 - passport
 - driving licence
 - utility bills with the current address
 - Birth / Marriage certificate
 - P45/P60
 - Credit Card or Mortgage statement

This list is not exhaustive.
3. Any individual has the right of access to information held about them. However with children, this is dependent upon their capacity to understand (normally age 12 or above) and the nature of the request. The Principal should discuss the request with the child and take their views into account when making a decision. A child with competency to understand can refuse to consent to the request for their records. Where the child is not deemed to be competent an individual with parental responsibility or guardian shall make the decision on behalf of the child.
4. The Academy may make a charge for the provision of information, dependant upon the following:
 - Should the information requested contain the educational record then the amount charged will be dependant upon the number of pages provided.

Should the information requested be personal information that does not include any information contained within educational records schools can charge up to £10 to provide it.

If the information requested is only the educational record viewing will be free, but a charge not exceeding the cost of copying the information can be made by the Principal.

5. The response time for subject access requests, once officially received, is 40 days (**not working or school days but calendar days, irrespective of school holiday periods**). However the 40 days will not commence until after receipt of fees or clarification of information sought

6. The Data Protection Act 1998 allows exemptions as to the provision of some information; **therefore all information will be reviewed prior to disclosure.**

7. Third party information is that which has been provided by another, such as the Police, Local Authority, Health Care professional or another school. The Academy can withhold third party data. Before disclosing third party information consent should normally be obtained and we would seek advice from Information Governance should this arise.

8. If there are concerns over the disclosure of information then additional advice should be sought.

9. Where redaction (information blacked out/removed) has taken place then a full copy of the information provided should be retained in order to establish, if a complaint is made, what was redacted and why. You should not remove (redact) information using a black pen.

10. Information disclosed should be clear, thus any codes or technical terms will need to be clarified and explained. If information contained within the disclosure is difficult to read or illegible, then it should be retyped.

11. Information can be provided at the Academy with a member of staff on hand to help and explain matters if requested, or provided at face to face handover.

The views of the applicant should be taken into account when considering the method of delivery. If postal systems have to be used then registered/recorded mail must be used.

Complaints

Complaints about the above procedures should be made to the Chairperson of the Local Governing Body who will decide whether it is appropriate for the complaint to be dealt with in accordance with the Academy's complaint procedure.

Complaints which are not appropriate to be dealt with through the Academy's complaint procedure can be dealt with by the Information Commissioner. Contact details of both will be provided with the disclosure information.

Appeals

Any appeals should be in writing to the Chair of the governing body of the Academy within 90 days of the response. The Chair will action the appeal and respond to it within 20 days (40 days for a complicated request). If the complainant is unsatisfied with the outcome of the appeal then they should contact the ICO.

Contacts

If you have any queries or concerns regarding these policies / procedures then please contact the Principal.

Further advice and information can be obtained from the Information Commissioner's Office, www.ico.gov.uk or telephone

This is Dawley C of E Primary Academy Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The Academy aims to:

Promote the learning of children, as well as the learning of the adults, who make up our Academy community, so that we recognise the roles and responsibilities we fulfil in society now and in the future.

We endeavour to do this through

creating a welcoming atmosphere in the Academy where children, staff, parents and visitors feel valued;

recognising and valuing the role of parents as primary carers;

using the children's experiences at home and in the community as a starting point for promoting high standards in the core and foundation subjects of the National Curriculum;

promoting equal opportunities that pays due regard to gender, special needs, cultural and ethnic backgrounds of the children and their families;

promoting children's self esteem, their rights and responsibilities;

The management of the resources both human and material that maximises strengths and promotes team building.

and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

Academy Website – information published on the website.

Governors' Documents – information published in governing body documents.

Pupils & Curriculum – information about policies that relate to pupils and the Academy curriculum.

Academy Policies and other information related to the Academy - information about policies that relate to the Academy in general.

4. How to request information

Requests for information should be made in writing (or e-mail). The request must include the name of the person requesting the information, an address for correspondence and a description of the information sought.

If you require a paper version of any of the documents within the scheme, please contact the school by writing or email. Contact details are set out below.

School Email: a3317@telford.gov.uk

Tel: 01952 386280

**Contact Address: Dawley C of E Primary Academy
Doseley Rd North
Dawley
Telford TF4 3AL**

To help us process your request quickly, please clearly mark any correspondence **"PUBLICATION SCHEME REQUEST"** (in CAPITALS please)

If the information you're looking for isn't available via the scheme you can still contact the Academy to ask if we have it.

Documents can be produced in different formats upon request.

Timescales for response are 20 working days from date of receipt at the Academy. Possible need for clarification of information requested does not count towards the response timescale.

If we believe that the request might involve political or contentious issues then the Academy will contact the IG team at Telford & Wrekin Council to seek advice. We may need to request the permission of 3rd parties to release information and we need to remove information not pertaining to the recipient (redacting). If we do not hold the information requested we will notify the person requesting the information as soon as possible.

A record of all requests and responses will be maintained. We will retain these records for a minimum of 90 days to allow for appeal (records will be kept for longer if an appeal is actioned).

5. Paying for information

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
